Sur Restaurant and Lounge, we went on Thursday which is their weekly event called Temptation hosted by Jeffrey Sanker and presented by Lisa Vanderpump. It was a great time! They had outstanding food, a fun upbeat atmosphere and friendly service.

Upon arriving at Sur Lounge we walked through the doors and started a tab at the front bar. The bartenders are very friendly and the prices are affordable and less than we expected. We paid \$30.00 for 3 drinks which is equal to or less than the regular bars and clubs on Santa Monica Blvd. I say regular because Sur is nothing but average or regular.

When you walk to the outdoor patio lounge in the back you enter another world of trees, birdcages, perfect lighting and a \$5.00 shot bar. The environment is amazing and we were impressed with what we were seeing, an affordable high end establishment with excellent atmosphere and service.

We were expecting friends and took a table, by the shot bar of course. Unlike most places we were able to walk around the lounge area and pick the table we wanted without any pressure of being seated. When our friends arrived we each ordered a drink and some food. Lisa Vanderpump's drink "The Pinky" will knock you out. I suggest giving it a try if you want to loosen up quickly. I ordered the chicken and shrimp steamed dumplings with sweet Thai chili sauce. They melted in my mouth and for \$13.00 you can't beat the price.

After we ate we wandered around the lounge talking to friends and people we have not seen in a while. Ken and Lisa were there and they were both friendly and outgoing. They were easy to talk with and Lisa is a great conversationalist.

I highly recommend Sur Restaurant and Lounge for a fun filled evening without the stress of a high traffic bar. It's a relaxing environment to hangout with friends.
